

*100 KHz to 100 MHz, standard probe for EMF-839*

# **LOW FREQUENCY PROBE** **for RF EMF METER EMF-839**

**Model : EP-04L**

*ISO-9001, CE, IEC1010*

---

## **FEATURES :**

- \* 100 KHz to 100 MHz
- \* Each probe ship along with one calibration card to save the probe calibration data.
- \* When change the probe, new calibration procedures are not necessary.

**Lutron**

**LUTRON ELECTRONIC**
